

Viewer screen operation

1. Access to the translation page

When you access this link or QR code on your computer, tablet or smartphone, the following screen will appear.

When the
translation started

POCKETALK

一バールなイベントでお使いいただけます。

お手元のスマートフォンでQRコードを読み込むだけで、簡単に好きな言語で同じ通訳を聞くことができます。

主催者側も一般的に数百万円程度かかってしまう費用が格段に削減することができ、簡単に同時通訳のサービスを提供することができます。

私は毎日使っている携帯電話を使っています。

とても簡単です。

gual global events.

By simply scanning the QR code with your smartphone, you can easily listen to the same interpretation in your preferred language.

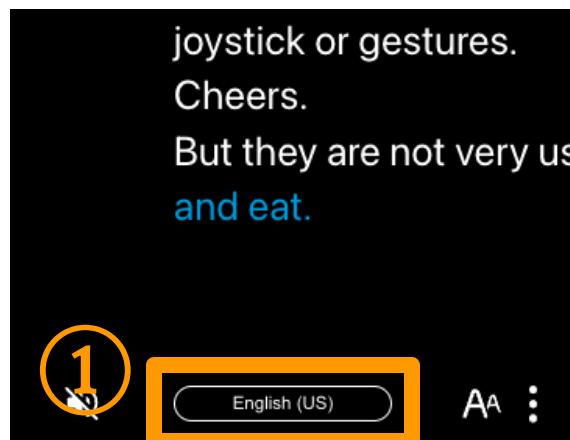

For the organizers, the costs, which would normally cost several million yen, can be significantly reduced, and simultaneous interpretation services can be easily provided.

I use my cell phone every day.

It's very easy.

2. Choosing the language

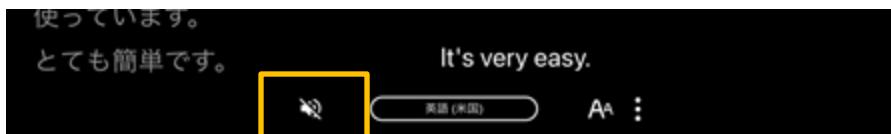

Click or tap the language name at the bottom of the screen to display the language selection list. You can choose the language you want to see.

4. Listening to the Audio

Click the speaker icon at the bottom of the screen to hear the translated text read aloud.

Please use headphones or earphones when using this feature.

Audio OFF: The icon shows a slash

Audio ON: The icon has no slash
